

**Athletics New Brunswick  
High Performance Program**

The Athletics New Brunswick High Performance Program is an athlete support program targeted at junior and senior athletes who have shown significant potential to perform at a national and international level. Athletes will be named to this program at three opportunities throughout a calendar year, based on their performances during the previous competition season. Athletes will be designated to the A or B teams based on their performance, and will receive certain special competition and training related opportunities as well as financial support based on their team designation.

**High Performance Teams from the 2013 Outdoor Season**

- Based on results from the 2013 outdoor season.
- Athletes named to the teams will remain eligible until September 30 2014.
