

## Team New Brunswick Youth Athlete Rankings

It's less than a week before the start of Legion Provincials. The listing below includes twenty-one (21) athletes who –

- Are current member of Athletics New Brunswick;
- Have submitted the Event Declaration form to the NB Legion Athletics Chairman; and
- Have achieved a result within 6.00% of the N.B. Legion standard for an event.

The athletes listed in each category are in no particular order and the results used include meets up to June 28, 2016. There are other athletes who are ANB members; have submitted the Event Declaration form; and are above 6.00% of standard. While they have been excluded from this list they are eligible for selection to fill one of the spots on the team.

There are many other athletes in the province who have results good enough to make the team. However, at the present time, they are either not current ANB members and/or have not submitted the Event Declaration form. To date, only about one-third (1/3) of the expected Event Declaration forms have been received. The Declaration form can be found on the ANB website under the Legion program. If you have not yet paid your ANB membership or submitted your declaration please do so as soon as possible.
