

## **Call for Coaches (Legion Championships) August 5th to 7th, 2015 in Saint Therese, QC**

Athletics New Brunswick is currently seeking applications for Team New Brunswick coaches at the 2016 National Legion Championships. This Team New Brunswick event will see athletes from across the province come together to form one team.

Led by the New Brunswick Legion Command 4 coaches will be selected to assist with the care of the athletes during the course of the trip however, their primary duties will be centered on the competition portion of the meet.

Duties for coaches on the team include a combination of managerial and competition duties such as confirming and entering athletes in the track meet, registering for coach passes, and communicating and assisting athletes in the lead up to the event. Coaches will also be assisting chaperones in the organization of the athletes however; this role is minimal compared to other ANB events.

Individuals interested in taking on a leadership role with Athletics New Brunswick will receive free transportation, accommodation, meals, coach's registration, and team uniform items.

Interested individuals should submit a letter of interest to [anb@anb.ca](mailto:anb@anb.ca) by January 5th, 2016. Included in this email should be a summary of their NCCP coaching credentials, previous coaching experience, and answer the following two questions:

- What can be planned for at the 2016 Atlantic Championships (July 23-24 in Saint John, NB)?
- How does Team NB improve on last year's successful event?

### **Tentative Itinerary**

Wednesday August 3rd - Depart for Saint Therese, QC

Thursday August 4th - Events, coaches meeting, practice time

Friday August 5th - Competition and opening ceremonies

Saturday August 6th - Competition

Sunday August 7th - Competition

Monday August 8th - Athlete experience day

Tuesday August 9th - Depart for New Brunswick

Coaches should also plan to be present at the Team NB Legion Selection meet scheduled for July 9-10 in Moncton, NB and the Atlantic Championship scheduled for July 23-24 in Saint John, NB. However, if coaches are unavailable to attend these additional events they are still encouraged to submit an application, as being unavailable does not restrict one from still coaching at the National Legion Championships.

\*Successful coaches will be required to submit a police record check that is no less than 3 years old as of July 2016 (done in 2014, 2015, 2016).

***Note: That the Legion Championships is at the same time as the 2016 Eastern Canadian U22 Championships in Moncton (August 6-7th) and participation in both events is not possible.***
