Athlete Development and Support Program
2017 ADSP Teams

Athletics New Brunswick is pleased to announce the 100 athletes who have been named to the Athlete Development and Support Program teams for 2017. These teams are named based on performances from the 2017 indoor and outdoor seasons. Each athlete has achieved a significant performance to be recognized as a member of these teams, and ANB wishes to congratulate them on their great seasons. These teams represent the four tiers of the new ANB athlete development pyramid. Below is a listing of each team, indicating the events in which the athlete achieved the requisite performance (with indoor performances included in brackets, where relevant).
