**Coach Selection**

- Notice of opportunities for coach positions along with the criteria will be provided to the ANB membership, by March 1<sup>st</sup> annually or soon thereafter and be open for a period of one month.

- Any qualified ANB registered coach in good standing may apply for the positions.
- One position may be made available for a developing coach who must have the NCCP Sport Coach (level 1) certification in order to be selected.
- Following the application period ANB will compile the list of coaches who applied. This information will be provided to ANB's Provincial Selection Committee (PSC) consisting of three members. They will be assisted by one ANB staff member and one or more Legion member in making final selections. These selections will then be provided to the ANB board for formal approval.
- In order to avoid a possible or perceived conflict, those ANB PSC members or staff also applying for selection, must be excluded from the selection process and decision.
