Getting psyched up:

How can you use mental skills to gear up for the Games?

Renee Matte – Mental Performance Coach

Renée Matte is a mental performance consultant with the Canadian Sport Center Atlantic and has been working with athletes, coaches, and sports organizations for the past decade. She is currently pursuing her PhD in Psychology at UNB and has completed a Master's in sport psychology as well as Bachelor degree in the field. Her research has focused on performance enhancement, coach and athlete behaviour, and hazing in sports. In addition to consulting and completing her graduate studies, Renée also teaches various Psychology courses at UNB and coaches artistic swimming in Woodstock.

Renée Matte est une consultante en performance mentale avec le Centre Canadien Multisport Atlantique. Elle travaille dans ce domaine avec des athlètes, entraîneurs, et organisations sportives depuis plus d'une décennie. Couramment, elle complète son doctorat en Psychologie à l'UNB, elle a une maîtrise en Psychologie du Sport ainsi qu'un baccalauréat en Psychologie. Sa recherche est axée sur l'amélioration de la performance, le comportement des entraîneurs et des athlètes, et le bizutage. Renée enseigne aussi quelques cours de Psychologie à l'UNB et est entraîneuse de natation artistique à Woodstock.
