

Dear Athletics New Brunswick Athletes,

I am running for the Athlete Representative position on the Athletics New Brunswick Board of Directors. I am interested in working alongside the Athletics New Brunswick team to provide leadership, development and competition to encourage and foster participation at both the recreational and high-performance level in the province.

As a high-performance athlete in New-Brunswick, I hope to bring a fresh experience of athletics to the Athletics New Brunswick Board. I will strive to give voice to athletes at decision making meetings. This past year I have also worked as the Band-Frail Research Project Coordinator at the Cardiometabolic Exercise & Lifestyle Laboratory at the University of New Brunswick. Through this position I learned how to be a positive team leader while collaborating with many locations all across New Brunswick. Furthermore, I am also familiar with the staff at athletics New Brunswick as I worked alongside the team as a Run, Jump, Throw, Wheel Program Coordinator in previous summers.

This past year I was named to Athletics Canada's Canadian Athletics Performance Pathway program. Additionally, I was nominated for ANB Senior Athlete of the Year for competing at the 2022 Canada Summer Games, where I earned a silver medal for Team New Brunswick in the 3000m Steeplechase. Recently, I competed at the Canadian Indoor Championships, hosted in Saint John, where I competed in the 1500m, earning a bronze medal. Moreover, I raced in British Columbia this summer at the Bell Canadian Track and Field Championships, where I placed 7th in the 3000m Steeplechase. Further, I have represented New Brunswick internationally through competing in many events in the United States.

In this role, I wish to create an athlete representative committee to promote the collaboration of athletes within Athletics in New Brunswick. As the head of this committee, I will ensure that the voices of each club and athlete can be heard at Athletics New Brunswick board meetings. I also wish to promote athletes giving back to the sport through coaching and officiating.

I believe that with my skillset and viewpoint as a high-performance athlete, I can be a valuable addition to the Board of Directors.

Thank you in advance for your time and consideration.

Sincerely,

Isaac Cull
